## Small Group End-of-Year Wrap Up

1. In our house we like to do “rose and thorn” at dinnertime. “Rose” is a great part of your day, “thorn” is a not-so-great part. Both questions are intended to point us to Jesus. Looking back on this semester, what was your “rose” and what was your “thorn”? How can both point us to Jesus?
2. Following Jesus is a lifelong journey of Spiritual growth. Highlight one area of Spiritual growth in your life from this year, and share some examples of how that showed in your life.
3. If you could pick one aspect of your faith to grow, what would it be and why?
4. The Bible paints an amazing picture of what it looks like to be in community with other Christians. Read the following verses and discuss any ways you’ve seen these things play out in your group over the last year:
  - a. Galatians 6:2
  - b. Ecclesiastes 4:9-10
  - c. 1 Peter 4:10
  - d. Hebrews 10:24-25
  - e. Proverbs 27:17
5. As we look back on the year, what can we thank and worship God for together in prayer? As we look forward to the summer, what challenges do we see on the horizon, and how can we be praying for one another?
