SMALL GROUP QUESTIONS:

ICE BREAKER:

THIS WEEK'S SERMON:

1. Go around your group, and name one thing that you are thankful for this Thanksgiving/Christmas season. See if there are any commonalities in the group.
2. Take a look at the following verses together, and find the common theme, and also the differences between them. What's the big takeaway from this group of verses, how can it apply to your life?
 - 1 Thessalonians 5:17
 - Ephesians 5:20
 - Colossians 3:15-17; 4:2
 - Philippians 4:6
3. Reflect back on the baptism service from this last weekend. Was there anything that resonated with you personally from the service, the music, the baptisms, or something else?
4. If you have been baptized, share with the group why you were, and what the experience was like. Has anyone not been baptized who is considering it? Why/why not? Would you like to be baptized?
5. Close your time together spending some time (more than normal) thanking God in prayer.
