| NOTES JUNE 4, 2017                                                                                   |  |
|------------------------------------------------------------------------------------------------------|--|
| JESUS IS SENDING THE HELPER                                                                          |  |
| Jeff Stevens  John 14:5-31                                                                           |  |
| 1. The departure of Jesus would ultimately strengthen the disciples' faith.                          |  |
| - The ultimate provision of the                                                                      |  |
|                                                                                                      |  |
| 2. The betrayal of Judas would prove the sovereignty of Jesus.                                       |  |
| - The of Christ for His own                                                                          |  |
|                                                                                                      |  |
|                                                                                                      |  |
|                                                                                                      |  |
| 3. The predicted failure of Peter would reveal to us all that true love of Jesus produces obedience. |  |
| - With unlimited possibility, the gift of the Holy                                                   |  |
| Spirit, and the of Christ's                                                                          |  |
|                                                                                                      |  |
|                                                                                                      |  |
|                                                                                                      |  |
|                                                                                                      |  |
|                                                                                                      |  |
| (17)                                                                                                 |  |
|                                                                                                      |  |
|                                                                                                      |  |
